

NEW ECOSPORT

www.ford.co.za

Go Further

Your city unlocked.

Every inch of the new **ECOSPORT** is designed to help you do more, go anywhere and make the most of your city life.

More space, more life.

The enhanced SYNC®3 infotainment system puts the city at your fingertips.

With a bold new exterior design, **ECOSPORT** always looks like it's ready for action. That's because it is.

New front end. Same attitude. **ECOSPORT**'s refreshed grille, hood and headlamps are sportier than ever.

Fit almost anywhere with powerfold mirrors that – you guessed it – fold in to make **ECOSPORT** a little narrower.

All-round protection. Seven airbags, including side and curtain airbags, help keep you safer in a collision.

The 17-inch Titanium Alloy wheels do more than just look great. They're lightweight and extra-strong too.

LED daytime running lamps on Titanium help ensure you're more visible to drivers, cyclists and pedestrians.

Best engine under 1.0l
INTERNATIONAL
engine
of the year
Presented by engine technology international magazine
2012/2013/2014/2015/2016/2017

Available in either the 1.0L EcoBoost or the 1.5L diesel, the new **ECOSPORT** has been designed to reduce your cost of ownership through improved fuel economy and lower CO₂ emissions, without any compromise on style or driving quality.

SYNC®3¹ Keeps your hands on the wheel, and your eyes on the road. Use simple voice commands to make calls, listen to text messages and play your favourite music.

The 8-inch² Touchscreen on Titanium is smarter than ever with integrated Native turn-by-turn navigation and intuitive smartphone capabilities like swipe control and pinch-to-zoom actions.

Parking made easy, with rear parking sensors on all models that automatically turns on whenever you select the reverse gear.

¹SYNC®3 only available on Trend and Titanium models.

²Touchscreen not available on Ambiente model. 8-inch Touchscreen only available on Titanium model.

ECOSPORT makes every load manageable. But never at the cost of your comfort.

Flips, folds and fits everything. The Cargo Management System adapts to handle almost any weekend-sized load – up to a colossal 1 178-litres.

A new centre console features an armrest with integrated storage. We added a retractable armrest with cupholders in the backseat of Trend and Titanium models too.

Enjoy peaceful cabin quietness, no matter how loud your city gets. We even made the tyres quieter.
